# Exchange Program

## Program Overview

ESSEC currently has **97 exchange agreements in 34 different countries** with the best business schools around the world where you are sure to find what you are looking for! You have the possibility:

- to spend a period in the exchange partner university program and gain 2 to 6 months of international experience
- to choose elective courses from the catalog of the MBA/Master programs
- to get an opportunity to strengthen your field of specialization

As soon as you have cleared certain courses, you can apply to go on an exchange for 1 or 2 semesters depending on the school and available places and therefore enrich your international experience even further.

ESSEC has been awarded the Eramus Charter for Higher Education for 2014-2020.
